Dear Theatre Families,

The play was a hit! The kids did an amazing job and had wonderful audiences every night. Thank you to all the parents that worked behind the scenes to help support the show and make it a great experience for the kids. Hoping everyone has a wonderful holiday season!

## That's a Wrap!

What a great show! Around 500 people came out to see the show, including lots of teachers, family members that traveled from afar, friends, and community members. It was so wonderful for the kids to be able to perform in front of a large and engaged audience. Congrats to Mrs. Winter and the students for a successful and entertaining play.

## Student Spotlight-

### Violet Noon, Publicity Officer for the Thespian Troupe & Christy in the Fall Play

**Q-** Why did you want to try theater?

**A-** Because my sister had taken the elective and we were virtual. I overheard the class meetings with Mrs. Winter and I thought it would be cool to try it.

**Q-** What is your favorite show you were in or helped with?

**A-** You're a Good Man, Charlie Brown. I loved the character I got!

**Q-** Do you play any sports outside of school?

**A-** Yes, I do cheer. Last year I broke my arm a few times so it wasn't a complete season.

**Q-** Is there a sport you want to try?

**A-** My friends do diving and they want me to do a trial lesson.

**Q-** Do you ever struggle with balancing school work, social life out of school activities and theater?

**A-** Sometimes because of school work I have to focus more on school outside of practices and I can't see my friends as much.

**Q-** What is your goal in life?

**A-** I want to be an orthopedic doctor or find a way to continue acting.

**Violet Noon as Woodstock in  
"You're a Good Man, Charlie Brown"**

**Q-** How are you going to achieve your goal?

**A-** Doing well in school and continuing to try my best in everything. To be well rounded!

**Q-** What was your favorite moment in the play?

**A-** When we were rehearsing "method 8" of *10 Ways to Survive a Zombie Apocalypse* and I was confused about what sport the Yankees played and I couldn't stop laughing!

**Q-** Why should people come see the shows at AFMS?

**A-** Because they are really fun & there's just so much going on & the chemistry between the cast is lovely. So many people work on a play. And the concessions!

**Q-** What are you most looking forward to with The Wizard of Oz?

**A-** I cannot wait to audition! It is especially exciting when the cast list comes out.

**Q-** Have you made any friends while performing at AFMS?

**A-** I have made many friends. Everyone is so good to work with!
